Hello P.S. 234 Families,

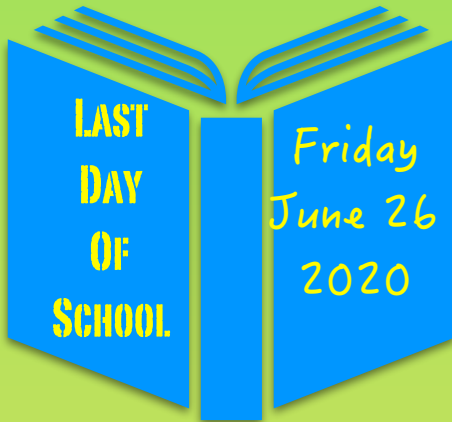

As another school year comes to a close, we look back and reflect on all that we have accomplished and should be proud of. Together we've learned much and shared experiences that will remain with us in the years to come. The strength of our community and wholehearted passion to make our school a wonderful place of learning for our children is what makes P.S. 234 The School of Performing Arts and Technology a very special place. The last few months have not been easy, but they have been proof of how resilient the entire P.S. 234 family truly is.

I want to take this opportunity to congratulate all of our students. I wish you all a very happy, safe and enjoyable summer. Please be sure to take time as a family to talk, laugh, play and enjoy one another.

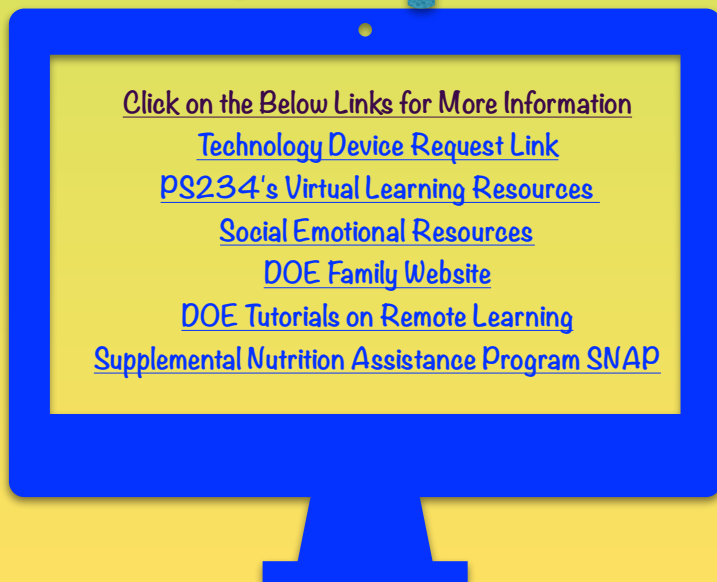

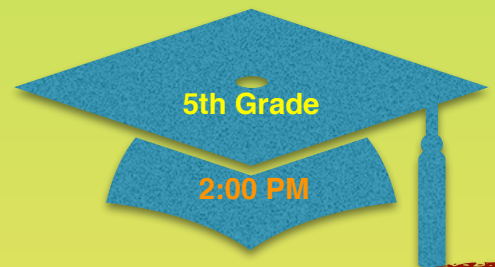

As always I am here to support you and assist you with any concerns or assistance you may need in regards to Remote Learning at PS234. Please visit our school website at www.ps234queens.com for updates and resources.

Please stay safe, be well and stay strong P.S. 234 Families.

Jabari Brown,
