

2021-2022 Spirit Days

September 13, 2021

Dear Parents and Guardians,

P.S. 234 will now have school-wide Spirit Days that will be held throughout the school year. This is a day each month when students have the option of showing their “School Spirit” and dress up with the monthly theme.

The Spirit Days allow the students in school to have fun and demonstrate cohesively their school spirit. As we continue to build bridges within our community, we are also striving to build autonomy within our school community. Teachers too, join in the fun of school spirit.

The opposite side of this letter indicates the dates and themes of these Spirit days. (The monthly school calendar will be an additional resource to check for upcoming Spirit Days each month.) There is also a description of event to better help you and your child plan and create attire appropriate for the events.

Sincerely,

Dora Danner
Principal

Spirit Days 2021 – 2022

Scheduled Dates for Spirit Day	Spirit Day Event Title	Description of Event
